Microcom Corporation Signs Major Agreement with Large DVD Rental Kiosk Manufacturer

LEWIS CENTER, OH - June 8, 2009 - Microcom Corporation, a leading global provider of thermal printers is pleased to announce that a major agreement was signed with a large DVD rental kiosk manufacturer.

According to Dave Dezse, V/P of Engineering for Microcom Corporation, “Kiosks will be rolling out this summer and are expected to continue through the 2010 calendar year. Four major retailers have already signed up for the program. Microcom Corporation was selected because of their willingness to customize a solution and their superior customer service.”

About Microcom Corporation

Microcom Corporation (www.microcomcorp.com) is a privately held leading manufacturer of specialty-use thermal label and ticket printers employed throughout the world. Microcom delivers innovative business management solutions for the transportation, healthcare, mail sorting, and specialty thermal printing industries.
